

Pro Plug® System for Kebony

Plugs size	Screw	Shank Hole	Pilot Hole
5/16"	#8	5/32"	7/64"

If you prefer the positive lateral connection of fastening through the face and still want a smooth, uniform surface, then using the Pro Plug® System with Kebony wood plugs is the best option. The Pro Plug® System by Starborn® is the fastest plug option on the market today, and Kebony wood plugs are designed to work seamlessly with the system.

HIGHLIGHTS

- Hidden fasteners with face fastened strength
- Plugs made from actual Kebony face grain, so they perfectly match the surface
- Patented Pro Plug® Tool pre-drills and counterbores simultaneously for a perfect fit
- **Kebony Kits include screws, plugs, glue nozzle and drill bit (Pro Plug® Tool and glue sold separately)**
